Additional Terms	The terms in this Additional Terms section apply only to the extent that Customer uses the specific functionality indicated below. **Customer as a Managed Service Provider.** With respect to Customer's use of VNDLY to deploy VNDLY as a Managed Service Provider ("**MSP**") for its third-party end-client ("**Client**"), upon execution of an Order Form identifying the Client, Workday grants Customer the right to use the VNDLY Service for and license the VNDLY Service to Customer's Clients solely to support such Client's internal business operations, but not in connection with services provided by any Client to or for any third-party. Workday agrees that Customer may charge each Client fees in connection with the VNDLY Service that Workday has authorized Customer to use in an MSP capacity, including for the use of the VNDLY Service and any related VNDLY Documentation. All communication and/or instructions regarding the VNDLY Service is to be made between Workday and Customer, including any request for transition assistance set forth within the MSA. Such transition assistance is only to be provided to Customer. Any use of VNDLY by a Client is as an Authorized Party of Customer. **Professional Services.** Any data provided for the services described in the VNDLY Deployment Professional Services Exhibit here: https://www.workday.com/en-us/legal/universal-contract-terms-and-conditions/index.html is subject to the PSA.
